

Transferability Audit of Academic Programs

Please answer all questions using degree requirements in effect for the _____ catalog year.

Degree type: _____

Major: _____

Concentration (if applicable): _____

Total credits required for major completion: _____

1. Course sequencing: *Answer each question in this section for a transfer student who has completed all general education course requirements and no major courses.*

- a. Considering all pre-requisites, how many full-time semesters will it take to complete this program? _____
- b. Considering all pre-requisites, how many credits in the major can a student take each term? List no more than the maximum credits a student may take each term.

Term 1: _____

Term 2: _____

Term 3: _____

Term 4: _____

Term 5: _____

Term 6: _____

Term 7: _____

Term 8: _____

2. Do you accept transfer credit toward the major?

- a. What is your process for evaluating transfer credit in the major and when does it occur? Please describe. _____

- b. In a general sense, what types of major required courses do you typically accept in transfer? _____

- c. Have you established a minimum number of credits in the major that must be taken in residence? _____
- d. Do you require auditions, portfolio reviews, placement testing, or other special assessments? When does this occur? _____
- e. Who is your year-round, primary contact in the department for transfer student inquiries? _____

3. Do you have any ongoing special partnerships with any 2-year institutions that are unique to this major? Please list.

4. Is there anything else we should know about this program in order to effectively position it to prospective transfer students?

5. Please attach a transfer plan for this major using the minimum length of time to completion (may look like a 2-year plan). Only include major requirements.

Notes on the Transfer Student Degree Plan:

This degree plan assumes a student is starting at Columbia with a **minimum of 60 credits in transfer** and the completion of the Essential LAS Core Requirements. **This degree plan is a suggested sequence only.** Students should consult with their Academic Advisors and Academic Departments to develop their unique individual plans.

Essential LAS Core Requirements include English, Mathematics, Sciences, Literature, Humanities, History, and Social Sciences. **Columbia Experience Core Requirements** include First-Semester Experience, Creative Communities, and Innovation and Impact courses.

Major Electives include courses required to be completed to finish a major, and students will choose from a list of Major Electives in the course catalog.

College-Wide Electives include all courses and credits not specifically applied towards the Columbia Core or Major Requirements.

All degree-seeking undergraduate students are required to complete 6 credits of **Diversity, Equity, and Inclusion (DEI)** coursework. All degree-seeking undergraduate students are required to complete 9 credits of **advanced (200 or higher level)** coursework in the Columbia Core.

Students are encouraged to consider declaring a Minor to complete their required College-Wide Elective credits.

Full-time status at Columbia College Chicago is a minimum of 12 attempted credits per semester, but the cost of tuition is the same for 12-16 attempted credits. Students are encouraged to attempt 15-16 credits each semester for financial reasons and to complete their degree (120-128 minimum credits) in a timely fashion.
