## **3260 - Before, During, and After: Expanding Transfer Support Using Transfer Student Capital**

Enhancing Access, Affordability, and Wellness, Fostering Inclusion, Engagement, and Community

Join this session if you are interested in learning the process of expanding your transfer student support program from proposal, to implementation, and then assessment using the lens of Transfer Student Capital. Learn how one first-year experience program in California reinvisioned and reinvented their program to include a mandatory Transfer Learning Community and optional Transfer Year Experience. Explore how Transfer Student Capital can be used as a solution in solving problems related to transfer student support. Transfer Student Capital should be considered BEFORE the proposal, DURING the program implementation and AFTER assessment.

# Before, During, & After : Expanding Transfer Support Using Transfer Student Capital

Transfer Student Capital (TSC) is the knowledge and experience students need for a successful academic and social transition.

## Reflective Questions

**Before:** What are some of the needs and/or trends of your current Transfer Student population?

**During:** How can you incorporate academic and social adjustment programs, events, or spaces for Transfers at your institution?

**After:** How can you assess varying outcomes and data to address the needs of Transfer Students?
